

## NAWIC Princeton, NJ Chapter #389 - Sponsorship Opportunities

As a non-profit organization, we rely on the support of our members and sponsors to fund our chapter's initiatives. Through NAWIC's networking events, educational and leadership opportunities, conferences, workshops, seminars, and community involvement, our members have the opportunity to exponentially grow their skillset - both personally and professionally. By participating in our sponsorship program, you are helping local women build a strong foundation for them to advance in the construction industry. Without your support, we could not fulfill our mission.

NAWIC Princeton, NJ is proud to offer a variety of partnership opportunities for the calendar year. Partners of NAWIC can choose the level which suits them best. Each level offers the opportunity to grow your presence in the NJ construction industry and to show your commitment to the mission of NAWIC.
